## Prayer Diary

Thank God for the weekend we have just experienced in 24/7 Prayer. We are told in 1 Thessalonians 5 v 17 to "PRAY CONTINUALLY."

That's a nice thought but the reality is it's hard to do! Pray that the Holy Spirit moves within us to help us realise that by that God means for us to include Him in every little detail - that Praying isn't just making space and concentrating solely on Prayer but can also be the every moment conversation between God & us - Pray we do that better!

Pray for the new beginnings of Art Club & Bowls! Art can be a form of Worship too so please pray that God moves within our artists, that they may experience new creativity this year - in ways that can only be sent from God to heal, help and encourage. That new members will join both communities of artists and bowlers and that our church family will embrace the discipleship opportunities that arise.

Pray for our new communicants as they, for the first time become communicant members of our church family. But more than that, that at this special time within each of their lives, they will truly feel the power of the Holy Spirit working through them as they show their obedience to God in this way. Pray for the Girl Guides. That volunteers would come forward to enable the huge need they serve within our community to continue. Pray if God is stirring something within your own heart to become involved, that you would have the courage to pursue that calling.

Pray for a New Season in Mosaic - giving thanks for those who are willing to volunteer at the later Youth Hub. Continue to pray for new volunteers for the rest of the time and activities that make Mosaic the Hub that it is.

SELAH - Take time today to really think of what you have been praying this week and to fully prepare your hearts before coming to communion tomorrow.

SAY SORRY - for your sin. SAY THANKS - For His Son. REMEMBER HIM - For what He has done. CELEBRATE - Because the Victory is ours Through Christ!
