Prayer Diary

Give thanks for the dedication and faithfulness of the volunteers in crèche and Sunday Club who give up their time each week to teach and engage with our children.

Remember the praise band and choir as they meet to practice. As we are approaching a busy period for our musicians, pray for each member as they plan and prepare to lead the musical worship in our church.

Pray for our kirk session and committee, that they would know God's guidance as they make spiritual and practical decisions that affect our congregation.

Give thanks for the opportunities that home groups provide to meet together to study God's word and build relationships with each other.

Remember those in our congregation who are suffering ill health at the moment particularly those who are house bound. Pray that they would feel God's love and still feel a part of our church family.

Committee News

KEYS: At last weeks Committee meeting we agreed to formalise the giving of keys to leaders in charge and others, we hope to have a working policy in place that will be more manageable than present arrangements.

Roof And Renovation Update

Also at the committee meeting we heard a report on our Roof and Renovation Project that we had completed under budget. Under budget and one week over in time we consider an excellent result. Our Property Convener and Property Committee were commended for their excellent management of this project. We hope in the New Year to give the congregation a full report of the project and the state of our finances.
