Sermon Notes

Please use this space to take your own notes:

Prayer Diary

✋ Pray for children who received AQE results. Pray that they would know that no matter what Gods plans are bigger and they are fearfully and wonderfully made.

✋ Pray for our social media platform in church. Pray that it would be used to invite others to know Jesus and encourage people to come out to church.

✋ Pray for those touched by suicide. Pray that God would comfort them through this difficult time.

✋ Pray for the south of Ireland as they prepare to vote for a change in law that will allow for unrestricted abortions. Pray that they would consider both sides of the argument and vote based on what's best for both the mother and child.

✋ Pray for Louise Hacking and the work she does with Christian Union Ireland. Pray particularly for the national conference weekend in March.

✋ Pray for our church and its witness in the local area. Pray that the side door ministries would be used to as a tool to tell others about the love of God.

✋ Thank God for his word. That we can come before Him in freedom to worship. Pray that we would have soft hearts and that His word would continue to mould and shape us.
