Prayer Diary

Give thanks for the many ways there are here to offer service, friendship and fellowship to our church family and beyond, to the wider community.

Especially remember in prayer the organisations returning this week after the Easter break. Pray that in the short time until they finish for the summer, they will have many encouragements, be strengthened with fresh energy and enthusiasm, and pray that God will work through all that they do each week.

Pray for the newest organisation – GPG (Glengormley Presbyterian Guys). Ask God to bless them as they come together through the Whatsapp group to encourage and support one another in their faith and daily lives.

Remember in prayer the Men Together and P.W. outings this week. Ask that God will bless the leaders as they look for various interesting ways to share and widen their friendships and deepen their fellowship.

Pray for those, still very much part of our church family, who cannot, for whatever reason, come to the services or midweek activities. Pray that in their difficult and often painful days, they will know God with them in a very real way. Ask God to prompt us to show His love to them in practical and encouraging ways, so they have a sense of belonging still.

May God give us all a new experience of Him so that we have a song of Praise to offer Him and a fresh willingness to serve Him.
