### ATTENTION—HELP NEEDED PLEASE!

**SATURDAY 6TH NOVEMBER 10am – 12noon**

We plan to power wash the rear fire escape paths, weather permitting (we won't let a little drizzle put us off!) date and time above. We need about six people. A lot of work has gone into clearing weeds and branches etc, but there is a lot of moss which is making the path slippery and therefore, dangerous. If you have a power washer and hoses and can help with this job, please send me a text or email so that we have an idea of numbers. Please bring your own connectors and any other equipment needed if possible.

Thanking you in advance for your help.

## Prayer Diary

### Sunday 31 October

Ask God to help us respond to his Word, so that we not only hear his voice, but take steps to do what he says to follow him, serve others and walk in the wisdom of his ways.

### Monday 1 November

Pray for the Moderator as he embarks on his Presbytery tour of North Belfast. Give thanks that he is able to do this and that, as restrictions relax, he has the opportunity to engage with the community of the area and encourage congregations and organisations within the Presbytery.

### Tuesday 2 November

Rev John Coulter (chaplain, Ulster University, Coleraine) | Pray for wisdom for John as he continues to support students and staff pastorally and for opportunities to share the gospel / encourage people in their faith.

### Wednesday 3 November

The worst flooding in decades in South Sudan has impacted over 700,000 people and rains are expected to continue until the end of the year. Pray for all those affected, and that those needing humanitarian assistance will receive the help they need both now and, in the months, ahead.

### Thursday 4 November

As energy prices continue to rise, pray that those on low incomes who are trapped in debt & food & fuel poverty may find the support they need. Pray that we will continue to respond generously to food banks & charity appeals. Give thanks for Christian organisations such as CAP & Trussell Trust supporting those struggling.

### Friday 5 November

Pray for those arriving in the UK and Ireland fleeing from Afghanistan. Pray that local churches would see opportunities to play their part in creating a welcoming and supportive environment, alongside the relevant government and statutory agencies.

### Saturday 6 November

Pray for the meeting of the General Council scheduled to take place next week and for its convener, Very Rev Dr Noble McNeely. Pray for wisdom and insight for council members as they consider the outworking of decisions made at General Assembly and build upon the work of the various committees, task groups and panels reporting to the Council.
