Leadership Notices

ADVANCE NOTICE: KIRK SESSION Meeting Tuesday 13th September at 7:30pm.

USE OF HALLS: Please note that we currently do not have a rubbish collection from the church. Our Church cleaner bags rubbish and members of the Property team take it to the O'Neill Rd Recycling Facility for general waste and home for small recyclable items such as milk containers and cardboard wrappers. We would ask everyone to take away what rubbish they can, which will help to keep our premises tidy.

Leaders are especially asked not to over-fill the kitchen bin and pile rubbish beside it, especially food waste.

We hope that members also will help by **not putting drinks containers which have liquid still in them, in bins**, but dispose of them correctly.

Your co-operation in leaving the property clean and tidy for the next users, is greatly appreciated and we hope that everyone enjoys a great season ahead. Thank you.

CHURCH HEATING: As events and organisations get ready for their new activities, leaders are encouraged to carefully plan the heating required this year e.g. does the hall require

heating outside the organisation meeting times, (as some leaders attend prior to the start time) or, could the heating go off a little earlier? **Heating will not be set unless requested.** Although the heating is available for everyone's comfort, it is especially important this year not to have rooms heated unnecessarily. If your organisation is taking a break, advance notice is required and this is the responsibility of the leader. If a cancellation occurs at the last minute, it is important that a leader attends to cancel the heating. Please send all information/times required through the church office - office@glengormley.org

Along with this, making sure **ALL lights** are out and everything is secure before locking up is vital. We have a great team of leaders and helpers and the church family is grateful to all of them. With everyone working together to make best use of resources and finance, we pray a season of great blessing ahead. Thank you.

NORTHERN HEALTH AND SOCIAL CARE TRUST STRESS CONTROL ONLINE: 'Stress Control' is a six-session cognitive-behavioural therapy class used extensively in community-settings by the NHS (UK) and HSE (Ireland) and across the world. You can find out more here: <https://ni.stresscontrol.org> The next set of sessions will start on Monday 12th September.

WINTER COAT PROJECT: In partnership with Redeeming Our Communities (ROC NI), a local Christian organisation, the Church of Ireland and Methodist Chaplaincy at Queen's University (The Hub), are providing pre-loved winter weather clothing to children and adults in the community free of charge. Yes it's good for the environment and helping those in need, but it's not a recycling or re-use scheme. The Winter Coat Project is about helping provide practical support in a dignified and respectful way. We hope to help all ages. We will be collecting pre-loved coats which are in good condition and new or nearly new scarves, gloves and hats for all ages. Donations of items can be left in Mosaic or the church office (please place in a bag and mark clearly 'Winter Coat Project') by Sunday 18th September and we will pass them on.
