Community Notices

ADOPTIVE PARENTS NEEDED URGENTLY:

Family Care Adoption Services is an Adoption Agency, and a core part of our work is to place children with new adoptive families. We provide adoption services throughout all Northern Ireland and work with Health and Social Care Trusts to place single children and sibling groups for adoption. These children are aged from babyhood to approximately 5 years old. There are currently more children waiting to be adopted in Northern Ireland than families approved to adopt and there is an urgent need for new families to come forward. All sorts of people from all walks of life can be considered for adoption. So, wherever you live in Northern Ireland if you think you could offer a child/ren a new life in a family of their own and would like an informal chat to discuss this and to find out more about adoption,

Prayer

"I am the Lord's servant," Mary answered. 'May your word to me be fulfilled.' Then the angel left her." Luke 1 v 38.

Pray that we might approach worship this Christmas season with all that we are, offering our lives afresh in faith and love to God.

With many different crises happening across the world pray for global leaders, that they would make wise decisions and seek outcomes for the good of all people. Pray especially for those agencies and organisations which support displaced peoples in countries which often do not have many resources to meet this demand.
